Dear Chairman Chin and Members of the Board:

On behalf of the Applicant, Smith Legacy Partners, LLC, this correspondence shall serve as a request for continuation of the public hearing currently scheduled for Wednesday, July 9, 2014 on the above referenced matter.

Information requested by the Board at the last public hearing was to be submitted to your staff by June 30, 2014. Unfortunately, the time necessary to assemble such information requires additional time. Further, the comments of the public received during the course of the public hearings is being evaluated and certain alternatives to respond to such concerns are being considered by the Applicant. We would respectfully request that the meeting be continued to a date in August.

I will plan to attend your meeting to further discuss the request for continuation.

Very truly yours,

Mark L. Donahue
